#### **6. Clerk's Report**

##### **a) Remote Meeting Legislation –**

##### **i) Annual Parish Council Meeting**

to RESOLVE on how to deal with the problems relating to the remote meeting legislation ending and on how to proceed. DALC are recommending that the meeting be brought forward to the first week in May (the meeting must be held during May. This is the meeting where the Chairman and Vice Chairman are elected, and all of the Parish Policies and Regulations are reviewed and adopted for the year. Also, the committees are organised for the coming year. New meeting date 4<sup>th</sup> May.

##### **ii) Face to Face Meetings**

Once the remote meeting legislation ends, we would no longer be able to hold meetings on Zoom and would have to return to face-to-face meetings. Clearly this would not be possible in the PCMR as there is insufficient room. Whilst the Clerk could investigate the use of other venues in the Parish the availability of meeting space is restricted in the village and often completely booked up. We have written to Maggie Throup to seek her assistance with the matter and the National Association and various other organisations are lobbying for Government to extend the legislation. Unfortunately, it currently does not look likely. Therefore, a resolution may become necessary to give delegated powers to the Clerk in order for business to continue over the summer months until all restrictions are lifted. Members are asked to RESOLVE on how to proceed.

#### **7. General Purposes Agenda**

#### **8. Reports of the Committees of the Council**

- a. Parks and Cemeteries
- b. Highways and Lighting
- c. Environment
- d. Finance

#### **9. Approval of the Accounts (See separate Sheet overleaf)**

#### **10. Public Questions**

#### **11. Date of the Next Meeting.**
